

# Welcome!

Thank you for attending this Open House to learn more about **Draft Plan Bay Area 2040**. The Metropolitan Transportation Commission (MTC) and Association of Bay Area Governments (ABAG), along with local agencies and your local elected officials, value your ideas and encourage your questions.

## What to Expect in 2017

Work on Plan Bay Area 2040 began with the adoption of MTC's Public Participation Plan in February 2015. Open houses later that spring focused on goals and targets for the plan. In 2016, we developed alternative planning scenarios and selected a preferred set of land use and transportation scenarios. Here is a look at our progress in 2017.
